This year, one of our MySPA stars, Autumn, wrote lyrics to a song.

Shapes

Shapes describe us
Who we are in different ways
We don't even know,
That's the heart of the truth
Shapes are in us
When we're sharing our kind hearts
With others all around us

Shapes are who we are
On a rounded circle Earth
Yeah, yeah, yeah
Shapes are who we are
In the sky a diamond star
Yeah, yeah, yeah

MySPA Directors: Vonnie, Ruth, Brenna,
