Directing Team Notes

Welcome to Middle School SPA 2013! The program we are presenting tonight is purposely not a high-pressure full-length production. Rather, the songs, dances and drama scenes you will see tonight are a reflection and example of the three weeks of performing arts education we provide.

In the Middle School SPA program, we focus on the process of educating skills, rather than the final product. We are very proud of the progress these students have achieved, and hope you enjoy this brief glimpse into the techniques they've learned.

Thanks you for supporting these young student-performers. We hope you enjoy what they've prepared for you.
